TEACHERS PAY TEACHERS

Ready to make writing *real* for secondary students?

The time to hesitate is *through*...get started with the mindset + resources
you need to make writing more relevant + applicable
for today's learners and tomorrow's leaders.

Yo, I'm Jill!

I live on macha green tea lattes + nerdy lesson planning sessions.

I'm on a <u>mission</u> to flip the script on how we teach today's writers, so...

I provide secondary ELA teachers with the **resources + mindset** they need to make the **writing process** more **relevant + applicable** for today's learners and tomorrow's leaders.
